JOIN THE MOVEMENT - 24,000 ATHLETE EXPERIENCES & COUNTING

16%

OF THE U.S. POPULATION LIVES WITH A **DISABILITY**

According to the CDC

THE NEED

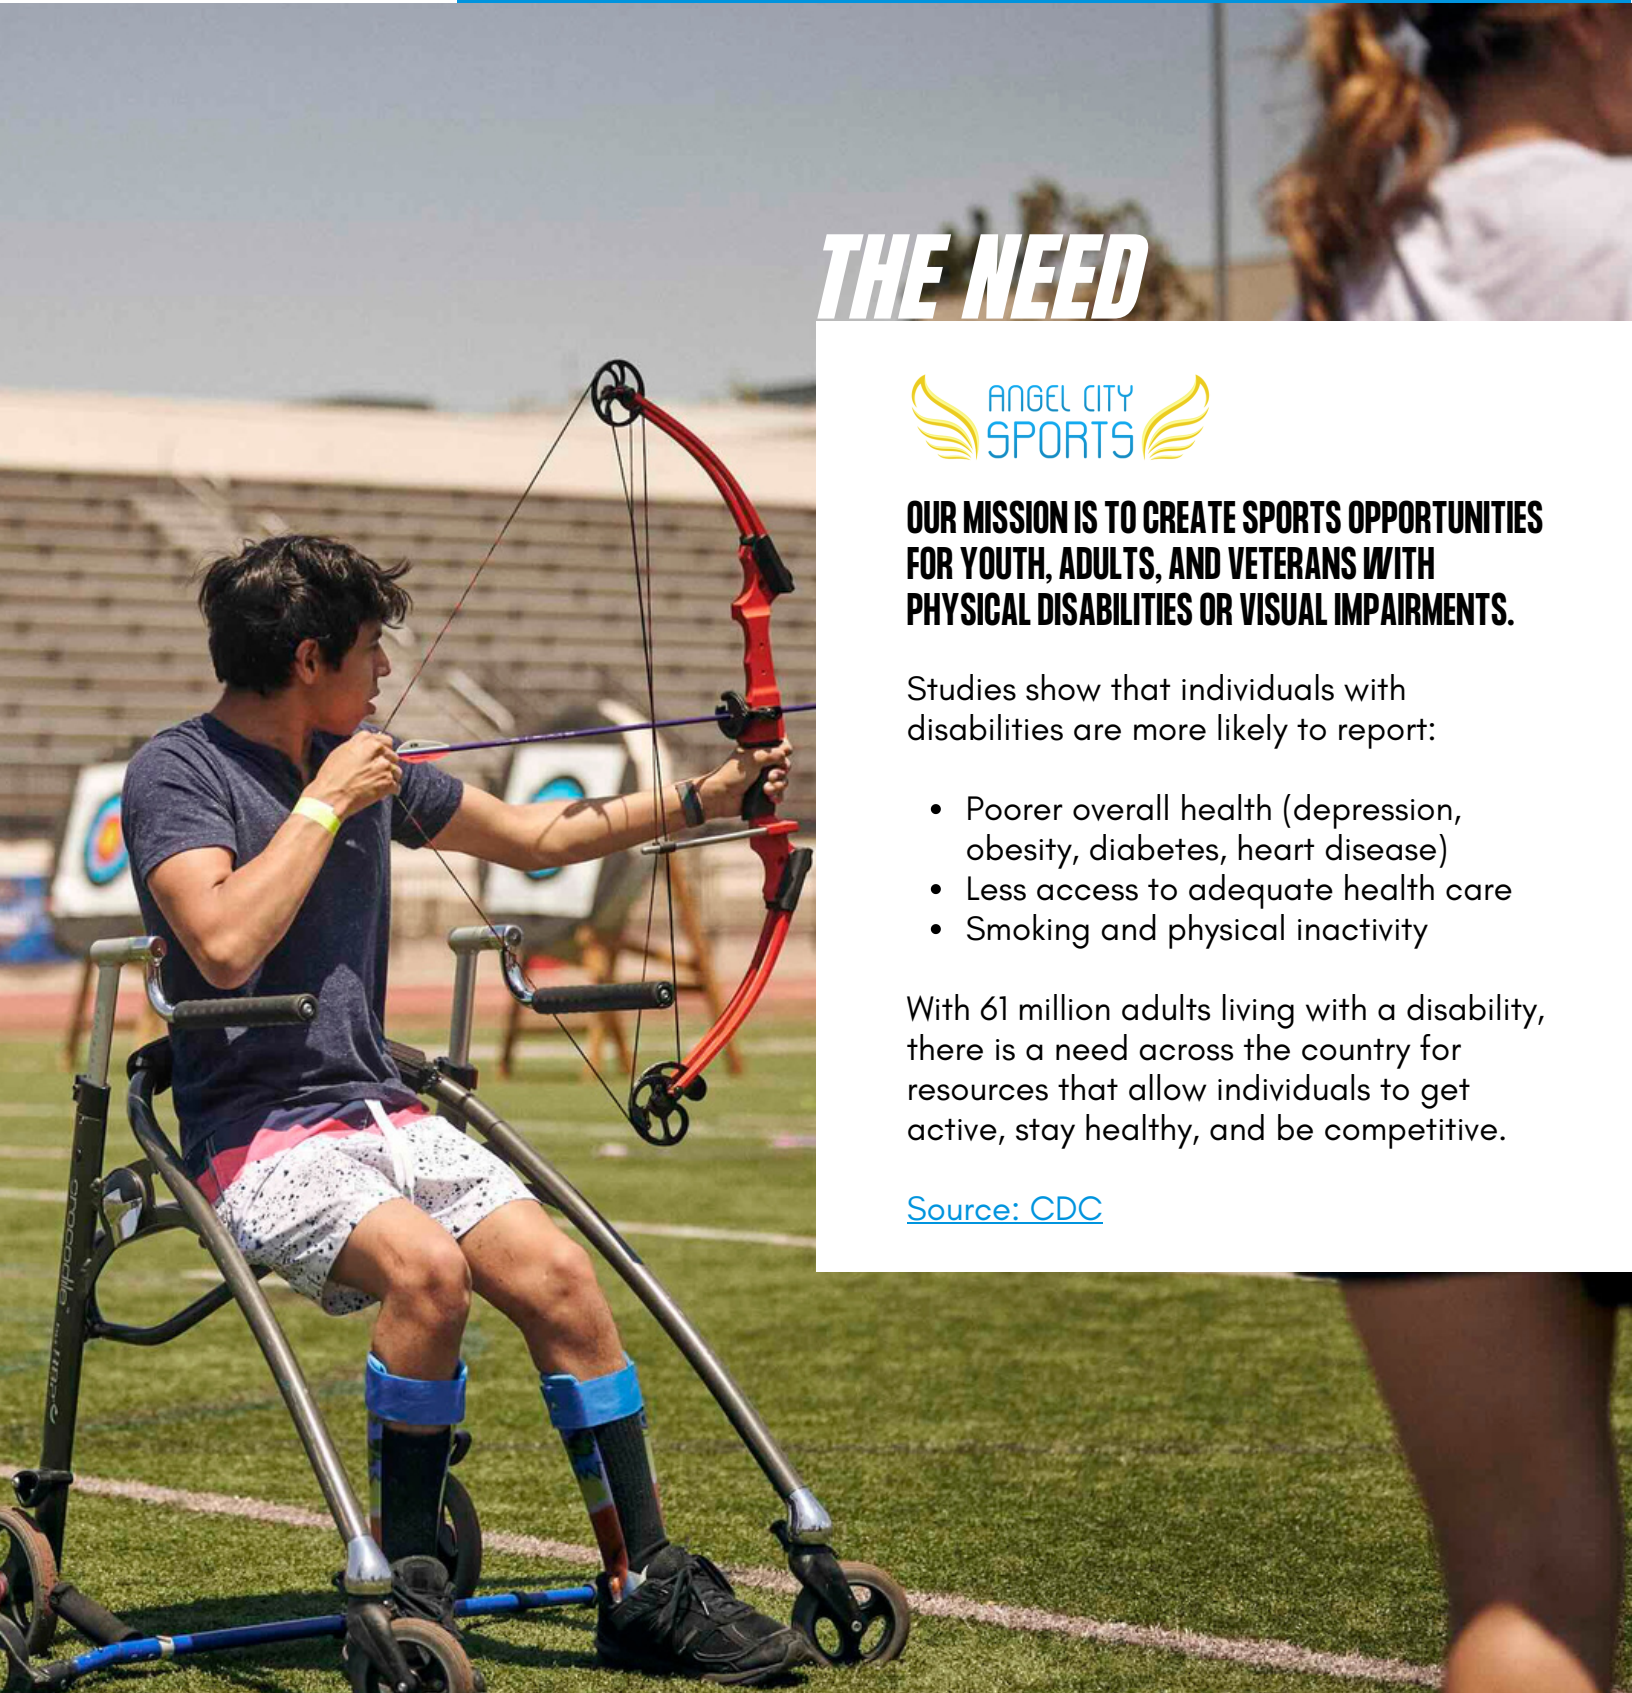

OUR MISSION IS TO CREATE SPORTS OPPORTUNITIES FOR YOUTH, ADULTS, AND VETERANS WITH PHYSICAL DISABILITIES OR VISUAL IMPAIRMENTS.

Studies show that individuals with disabilities are more likely to report:

- Poorer overall health (depression, obesity, diabetes, heart disease)
- Less access to adequate health care
- Smoking and physical inactivity

With 61 million adults living with a disability, there is a need across the country for resources that allow individuals to get active, stay healthy, and be competitive.
